## Judge Registration

*Office Use Only*  
Date Received: \_\_\_\_\_

All judges (including "RPGA only" judges) must register. Please submit a signed registration for each judge. Separate forms are not needed if you are running multiple events. Judges who judge four or more slots receive free membership registration to the convention. **No deposit required.** Events that do not make the preregistration book qualify only if they actually run. Judges may not cancel events to play another event. Judges who run four slots or more will receive a free souvenir. All judges will receive a \$7.<sup>50</sup> Thank You when turning in their paperwork for each round run. Judges who run less than four slots must register for the convention. Checks returned to us by the bank will have a \$25 service fee charged.

A lounge will be provided for use by judges and staff.

Please remember that younger players may be present. All events are to be run with good taste. Events found to be in poor taste will be rejected. Events that are being run are subject to cancellation by any **ConnCon** Staff member if the event is found to be offensive. (No "Adult Only" events are accepted.)
